

TEACHER TRAINING PROGRAM

Nurturing and Inspiring Teachers
& Yielding Achievement

WHY CONTINUOUS PROFESSIONAL DEVELOPMENT MATTERS

In today's fast-changing education landscape, teachers must continuously adapt to stay effective. Rapid policy shifts, evolving curricula, and technological advancements have made ongoing professional development essential.

Policy & Curriculum Changes - Adapting to reforms like NEP 2020 & NCF 2023

Technology Integration - Navigating digital tools & AI-driven learning

Inclusive Teaching - Addressing diverse learning needs & special education

Evolving Assessments - Transitioning to competency-based evaluations

How Upskilling Helps

Empowered teachers lead to better learning outcomes:

01

Keeps educators updated with new methodologies

02

Enhances classroom engagement & effectiveness

03

Strengthens management & tech skills

04

Improves student performance & critical thinking

05

Fosters motivation & holistic student growth

06

Growth focused teachers enrich school ecosystem

With these challenges in mind, **NITYA** provides a structured, National Curriculum aligned training program designed to bridge pedagogical gaps and **empower educators** for the future.

Nurturing and Inspiring Teachers & Yielding Achievement

A customised, need-based teacher training program designed to equip educators with the essential tools to thrive in today's ever-evolving educational landscape.

01

Nurturing & Inspiring Teachers

When teachers feel supported, they inspire students to thrive.

02

Yielding Achievement

Equipping educators with the right tools leads to brighter futures.

Who Can Enroll

NITYA is designed for:

Teachers
(Primary, Middle,
and Senior School)

**Vice Principals
& Principals**

01

02

03

04

**Coordinators
& Subject
Heads**

**School
Administrators &
Leadership Teams**

More than a program, NITYA is an investment in quality education, empowering teachers to grow and excel. This Teacher training program is National Curriculum aligned for CPD certification, helping educators stay compliant while advancing their careers.

THE PATHWAY TO EFFECTIVE UPSKILLING

To bridge the gap between evolving educational demands and classroom effectiveness, NITYA offers structured, customised face-to-face workshops that equip educators with essential skills and strategies.

A Hands-On Approach to Professional Growth

Our in-person workshops offer hands-on learning, equipping teachers with practical skills for real classrooms.

Structured Learning with Flexible Durations

- **Short Programs** - 6 hours in one day, with each session lasting 3 hours.
- **In-Depth Training** - 12 to 18 hours, consisting of 4 to 6 sessions spread over 2 to 3 days.
- **Comprehensive Courses** - Custom duration based on school requirements.

*Program is priced per session

Tailored Training for Schools

Schools can customize their training by selecting specific modules that align with their goals.

Recognized Certification for Career Advancement

Educators completing NITYA's training receive a certification endorsed by Aditya Birla Education Academy & Navneet Education Limited, strengthening their credentials.

Equipping Educators to Implement NEP 2020

- Competency-based learning
- Experiential teaching
- NEP-aligned planning
- 21st-century skills

Through NITYA's structured pathway, educators gain the knowledge, confidence, and expertise needed to bridge skill gaps, enhance student learning, and drive meaningful educational transformation.
